- **Status LEDs**

DSX-MCI Comm Interface

Size
3"W x 2"H x .75"D

Weight
2 oz.

Power Requirements
13.5VDC @ 30ma

Warranty
Limited 2 Years

Single Channel RS-232 to RS-485 Converter for Master or Slave communications. This newly revised module provides the RS-232 Tx and Rx of the DB-25 connector also on a terminal block for ease of use.

Onboard jumpers cross TX and RX for connections to different equipment.

Inputs
1 – RS-232 via Terminal Block or DB25 female

Outputs
1 – RS-485 Output / 4 Wire Terminal Block
